## **Saskatchewan's newest resort development hosts public beach party**

Sun Dale, Saskatchewan's most exciting new resort development is hosting a beach day, barbecue and fireworks to celebrate the development's official opening.

The event takes place on July 25<sup>th</sup> from 1.m. to 10 p.m. - everyone is welcome. The event is free of charge.

The beach day will feature a range of exciting beach and land activities including:

- water sports (tubing, knee boarding, boating);
- canoe and kayak rides;
- kite fighting with a kite fighting master;
- beach volleyball tournaments;
- land races;
- sandcastle contests;
- a barbecue meal at 5 p.m.; and,
- fireworks at dusk.

“We are very excited about the opening of our resort development, and are encouraging everyone to come out and help us celebrate this special day,” said Mark Lemmerick, Managing Partner, Sun Dale Recreation Ltd.

Located on the shores of beautiful Last Mountain Lake, Sun Dale is Saskatchewan's newest and most unique resort development.

The development features a tranquil environment of green space, pristine beaches and endless natural walking trails. All residents will have beach access and many spectacular lake views.

The also will have access to a full range of resort-style amenities including:

- resort standard beach;
- beach club;
- gourmet wine and coffee bar;
- ice cream parlour;
- canoes, kayaks and paddleboats;
- adult and children's pools and hot tubs;
- children's play strucutres

- amphitheatre;
- valet boat docking service;
- water and sewer service, and more.

An environmentally sustainable community, all Sun Dale resort homes are all built to an Energy Star standard at minimum and may incorporate a range of other energy efficiency options including:

- passive solar heating and cooling;
- energy efficient lighting;
- energy efficient windows, doors and appliances;
- programmable thermostats;
- earth-friendly building materials (i.e. moldings, structural materials and flooring,- all harvested from responsibly managed forests);
- rain water harvesting;
- solar water heating systems, and more.

Tours of Sun Dale's spectacular show homes will run all day. Show home and resort tours run all day every day of the week.
