August 12th, 2009**

Brad Johner to perform in “beach-side” concert, at “hot” new resort development!

Regina and area beach-loving **Brad Johner** fans are in for a real treat this summer! The Canadian Country Music Association's 2007 Male Artist of the Year will perform a special beach-side concert in mid August.

This unique beach-side musical event will take place **August 15th** at **Sun Dale**, Saskatchewan's newest and most unique beach-side resort development. Nestled on the shores of Last Mountain Lake, Sun Dale is just 45 minutes from Regina.

The event will feature water sports (tubing, knee board, boating), canoe and kayak rides, sandcastle contests, and an amazing open air musical event.

The concert will profile Weyburn's **Tenille Arts**, who was second place finalist in the 32nd Annual 2009 CKRM Big Country Talent Show, and Saskatchewan's own **Brad Johner**.

Awarded Saskatchewan Country Music Association's Male Vocalist of the year in 2003 and 2005, and the Canadian Country Music Association's Male Artist of the Year in 2007, Brad Johner is one of Saskatchewan's musical icons.

“We are extremely excited to have Brad Johner joining us for this event. As a resort community, Sun Dale is focused on creating a fun and relaxing experience for all residents and visitors. Music will always play a big role in Sun Dale activities. In fact our development plans include the building of an amphitheater, so that we can incorporate music into the Sun Dale experience! What better way for us to kick off our musical program than with Brad Johner,” said Mark Lemmerick, Managing Partner, Sun Dale Recreation Ltd.

Visitors to Sun Dale can revel in water sports, play on the beach, laze in the sun, and take in an unforgettable afternoon of music. All visitors are welcome. The event runs from 1 pm. - 5 pm. on August 15th and is free of charge.

“We encourage all who would like to, to come and enjoy this fun-filled day at Sun Dale,” said Lemmerick.

Sun Dale is unique in its resort development approach, its range of amenities, and its variety of purchase options.

The development features a tranquil environment of green space, pristine beaches and endless natural walking trails. All residents will have beach access and many spectacular lake views.

They will also have access to a full range of resort-style amenities including:

- resort standard beach;
- beach club;
- gourmet wine and coffee bar;
- ice cream parlour;
- canoes, kayaks and paddleboats;
- adult and children's pools and hot tubs;
- children's play structures;
- amphitheater;
- valet boat docking service;
- water and sewer service, and more.

An environmentally sustainable community, all Sun Dale resort homes are all built to an ENERGY STAR standard at minimum, and may incorporate a range of other energy efficiency options including:

- passive solar heating and cooling;
- energy efficient lighting;
- energy efficient windows, doors and appliances;
- programmable thermostats;
- earth-friendly building materials (i.e. mouldings, structural materials and flooring,- all harvested from responsibly managed forests);
- rain water harvesting;
- solar water heating systems, and more.

Tours of Sun Dale's spectacular show homes will run all day on August 15th. Show home and resort tours run all day every day of the week.
